4) Resolutions

There were no resolutions passed at the last meeting.

5) Election of Parent Governors

Mrs S Phillips was elected in 2022 - 2023

6) School Finances

Although we have endeavoured to make as many savings as possible over recent years, the school's overall income has reduced, owing to local authority and national cuts. Additionally, the school roll has diminished as a result of demographic trends which have affected a number of Llanelli schools. Consequently, there continues to be severe pressure on the school to reduce expenditure even further.

SEP

The School is financed through a Fair Funding Allocation. All income and expenditure is strictly monitored by the Governors, with the assistance of the Finance and Premises Committee of the Governing Body which reports regularly to the full Governing Body. As a result of school closure due to the coronavirus pandemic, additional grants and careful monitoring of expenditure, the school made a surplus which has resulted in a very welcome eradication of the school's historic deficit. The budget set for 2023/24 has been designed to maintain appropriate staffing levels whilst ensuring that the school remains in historic surplus.

7) School Prospectus

The School Prospectus is updated annually to include any changes required by the Welsh Assembly Government or other related bodies. A copy of the prospectus is issued to parents whose children are starting school for the first time or to the parents of those children transferring to us from other schools. The Prospectus can be viewed on the school website, or a copy can be requested from the school office. Parents are informed if any interim amendments are made to the existing prospectus.

8) School Development Plan

Governors are responsible for drawing up (in conjunction with school staff) the School Development Plan. The plan identifies the direction the school will take, over a three-year period, in delivering the curriculum. The plan is regularly monitored and revised to take account of progress made and any changes to curriculum requirements. The targets set include short, medium and long-term aims. Targets are regularly reviewed by the Governing Body.

The main Priorities for 2022/2023 were:

Priority 1

- To develop strategic planning in line with the implementation of the Additional Learning Needs Transformation Programme.
- To adopt an ALN approach at whole school level in line with the ALN reform

Priority 2

- To develop and implement pedagogy which will enable our learners to progress towards the Four Purposes. To develop and extend the enriched cross-curricular outdoor learning opportunities across the school.

Priority 3

- To raise standards of reading across the school.

Priority 4

- To develop staff and learners' skills in accordance with Welsh Education Strategic Plan (WESP) and introduce a 3rd language in accordance with Curriculum for Wales.

9) Use of the Welsh Language – Communication

Dafen Primary School is an English medium school. Lessons and other school activities are communicated through the medium of English. Welsh is taught as a second language and the school is currently involved in the Siarter Iaith Cymraeg. The Charter has been created to develop Welsh in English medium schools. The Charter consists of three awards - bronze, silver and gold. Each award comprises of ten targets and these targets become more challenging as you progress through the awards.

In the Foundation Phase Bilingualism incorporates the teaching of Welsh. Through 'Welsh Language Development' we aim to provide children with a basic vocabulary, enabling them to converse in Welsh. Initially the lessons are entirely of an oral nature and will also involve learning simple songs and rhymes to reinforce the vocabulary. As the children mature and their understanding of the language grows, they are introduced to Welsh in its written form, where they will be encouraged to read and write Welsh as well as improving their oral proficiency. At Key Stage 2 (Year 3 to Year 6) formal teaching of Welsh as a 2nd Language takes place; however, bilingualism and incidental Welsh is common practice during all lessons. At the end of the key stage pupils are assessed by their teacher and their Level of competency is reported to parents in line with Welsh Government assessment procedures.

Pupils for whom English is a second language are catered for according to their needs.

10) Term Dates and Holidays 2022/23 Academic Year

| | Term Begins | Half-Term Starts | Half-Term Ends | Term Ends |
|--------------------|-------------------------|-------------------------|-------------------------|-------------------------|
| Autumn 2022 | 5 September 2022 | 30 October 2022 | 4 November 2022 | 23 December 2022 |
| Spring 2023 | 9 January 2023 | 20 February 2023 | 24 February 2023 | 31 March 2023 |
| Summer 2023 | 17 April 2023 | 29 May 2023 | 2 June 2023 | 19 July 2023 |

All schools have a designated INSET Day on Friday 2 September. Usually, schools have 5 INSET days during the academic year (including the designated days). However, due to the introduction of the New Curriculum in Wales 6 INSET days were approved.

Parents will be informed in due course of the school specific INSET days.

Please note that the above calendar is subject to any changes that may arise as a result of government policy decisions.

12) Additional Learning Needs

The School's Policy for the Assessment of and Provision for pupils with additional learning needs is summarised as follows:

The School's policy for the identification, assessment and provision for pupils with Additional Learning Needs is consistent with the duties of the new Additional Learning Needs Transformation Programme which has been introduced in a phased way. Carmarthenshire County Council have set out an ALN Road Map to Support Schools in implementing the ALN Reform.

13) Pupil Development Grant

In 2022/23 Dafen Primary School was provided with a Pupil Development Grant allocation of (£49,450).

The Pupil Development Grant (PDG) is allocated to schools with pupils who come from low-income families and are currently known to be eligible for free school meals (e-FSM) and pupils who have been looked after continuously for more than six months (LAC). Schools are expected to make the best use of this funding to implement sustainable strategies that will quickly bring about changes for learners eligible for free school meals or who are LAC. As a school, we identified the following three steps:

1. to identify the target group of pupils, its characteristics and needs
2. to plan interventions which make the most effective use of resources
3. to monitor and evaluate the impact of resources

At Dafen School we have a comprehensive plan, agreed and monitored by Carmarthenshire Local Authority to promote progress and remove barriers to learning for students eligible for this funding.

In 2022-2023 the school has used the funding available for:

- Literacy Support - for individuals and groups of learners
- Numeracy Support - small intervention groups
- Learner Well-being Support – for individual and groups of learners

14) Access for Disabled Pupils

The governing body is mindful of the requirements of the Disability Discrimination Act (DDA) 1995 and The Special Needs and Disability Act (SENDA) 2005 in drawing up the School Development Plan, and the day-to-day operation of the whole site.

The school is committed to ensuring that all pupils are able to participate in the school curriculum and (where they desire) in activities such as after school clubs, leisure/sporting events and educational visits. All aspects of accessibility, including access to written information are included in the planning process.

The Authority has in place an Accessibility Strategy and in line with this strategy has had an audit of the school site undertaken, as part of an Authority wide brief, to identify any potential barriers and (ultimately) improve the access to the school.

15) Building Premises

Outdoor Classroom supplied for Key Stage 2 from funding through Admiral.
Priorities for 2022/2023

- improve access to the outside learning areas for all learners.

The school employs its own caretaker. Cleaning staff are employed by Carmarthenshire County Council who also monitor and inspect the standard of cleaning. Any observations you may have, please raise these with the Headteacher.

17) Healthy Eating

The school operates a healthy eating policy and as a consequence crisps, sweets and fizzy drinks are not allowed as break time snacks. Foundation Phase pupils are given milk during the morning break and fruit during the afternoon session. The children are able to purchase fruit during morning break through the school Tuck Shop run by the school council.

There is a successfully run free breakfast club for pupils at school which promotes healthy eating.

The children are entitled to receive a cooked meal during **in** the school canteen at a cost. Parents pay for the meals through ParentPay which is a cashless school payments system. Children who bring a packed lunch to school are usually accommodated at the canteen. On an occasion when the child forgets to bring a packed lunch, every effort will be made to contact the home, failing this, a cooked meal will be provided and the cost met by parents.

18) Admission / Transition Arrangements

The County Council is the Admissions Authority for all schools (other than Church Schools where the governing body is the admissions authority) within the Authority's boundary. The school's admission arrangements are therefore operated in line with the Authority's policy on school admissions which is contained in the publication Starting School book. The contents of this book can be accessed online on the Authority's website. Admission applications must be made online via:

www.carmarthenshire.gov.uk/schooladmissions

Learners will usually remain in the school until they complete year six and then transfer to secondary school. This school is a close partner with Bryngwyn Comprehensive School; however, pupils may apply to attend any secondary school they choose, subject to compliance with the Authority's admissions policy.

19) Sporting Aims and Achievements

The school encourages all learners to participate in a wide range of sporting activities throughout the year. Pupils take part in numerous sporting activities including football, rugby, netball, cricket, tennis and cross country running.

Learners were given the opportunity to perform in this year's Eisteddfod at Llandovery, they sung Sosban Fach and played the saucepans. It was recorded at S4C studios in Carmarthen and

In addition to these, pupils in Year 6 had the opportunity to go on a residential visit to PGL in Brecon. This visit helps pupils develop many life skills whilst also giving them wonderful opportunities to experience a wide range of outdoor adventure activities which would not be available at school.

20) And Finally

On behalf of the Governing Body I would like to thank and congratulate the children and the staff for all their many efforts and successes throughout the year, also to parents and carers who have been very supportive of the staff's efforts to provide high-quality education. I would also like to take this opportunity to thank the outgoing chair Mr Gareth Edwards for all his time, dedication, knowledge and understanding and kindness as the chair of the board of governors over the past 8 years. We wish you good health and happiness to spend with your family. Diolch yn fawr iawn from all of us at Dafen School.

We will be pleased to discuss this report or any aspect of the school's activities with you, if you require.

Mr Emyr Brown

(Chairperson of the Governing Body of Ysgol Gynradd DAFEN Primary School)
